Lockeford Community Services District is seeking a reliable and motivated individual to assist with water, wastewater, parks, and recreation maintenance in the role of Treatment Operator 1.

- Starting pay: $22.00/hour
- Part-time (24 hours per week)
- Schedule: Monday-Wednesday or Tuesday-Thursday, 6:00 a.m. - 2:30 p.m.
- Position expected to transition to full-time on April 1
- Health insurance and CalPERS Supplemental 457 Plan provided upon full-time employment
- Paid vacation and sick leave provided upon hire
- On-call responsibilities required on a rotating basis
- Compensatory time is earned while on-call
- Must possess California T1 Water Treatment and D1 Water Distribution certifications
- Must obtain a Wastewater Operator-in-Training (OIT) certificate within an established timeframe
- Must live within 20 minutes of the LCSD office
- Opportunity for wage increases as additional certifications are obtained
- Posting to remain open until position is filled

To apply, please submit your resume to the Lockeford Community Services District at Lcsd@softcom.net.
